DISCLOSURE STATEMENT
The University of Tennessee College of Medicine is committed to providing CME that is balanced, objective, and evidence-based. In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Essentials and Standards, all parties involved in content development are required to disclose any real or apparent conflicts of interest relating to the topics of this educational activity. The University of Tennessee has established mechanisms to resolve conflicts of interest should they arise. Any potential conflict of interest or off label use will be disclosed to the audience prior to the activity.
4TH ANNUAL CURRENT PERSPECTIVES IN HEPATOLOGY (CPH)  
A Single Theme Symposium on ADVANCED LIVER DISEASE

Course Director
Satheesh Nair, MD, AGAF, FAASLD
Professor of Medicine  
Medical Director Liver Transplantation  
University of Tennessee Health Science Center  
MUH James D. Eason Transplant Institute

Course Co-Directors
Benedict J. Maliakkal, MD  
Associate Professor of Medicine  
Division of Transplant Surgery  
University of Tennessee Health Science Center  
MUH James D. Eason Transplant Institute

James D. Eason, MD  
Director Transplant Institute  
Chief of Transplant  
Professor of Surgery  
University of Tennessee Health Science Center  
MUH James D. Eason Transplant Institute

UTHSC Faculty - MUH Transplant Institute
Dr. Uchenna Agbim, MD - Assistant Professor  
Dr. Jiten Kothadia, MD - Assistant Professor  
Dr. Corey Eymard, MD - Assistant Professor  
Dr. Daniel Maluf, MD - Professor of Surgery, Surgical Director of Liver Transplantation

Learning Objectives
1. Best practices in treating complications of cirrhosis such as HCC, HRS, Ascites, Varices, Hepatic encephalopathy  
2. Treatment of viral hepatitis, NASH, PBC  
3. Risks and benefits of drugs in patients with cirrhosis  
4. Recent advances in Transplant

GUEST FACULTY

Jennifer C. Lai, MD, MBA  
Dr. Lai is a transplant hepatologist. Associate Professor In Residence at the University of California, San Francisco and Director of the UCSF Hepatology Clinical Research Group. Her long-term mission is to help patients with end-stage liver disease survive and thrive after liver transplantation.

Mark Russo, MD  
Dr. Russo is Chief of Hepatology and Medical Director of Liver Transplantation at Carolinas Medical Center, Atrium Health, Charlotte. He is a fellow in the AASLD, AGA, ACG, a member of the nominating committee of the AASLD, on the board of the ACG Institute and has published more than 100 articles.

Mitchell L Shiffman, MD  
Dr. Shiffman is the Director of the Liver Institute of Virginia at Bon Secours Mercy Health with offices in Richmond and Newport News, VA. He has published over 250 peer reviewed manuscripts, review articles and/or book chapters on various topics in liver disease and has edited 3 textbooks. He lectures frequently on various liver disease topics at national and international meetings and board review courses.

Tamar Taddei, MD  
Dr. Taddei, MD, is Associate Professor of Medicine in the Section of Digestive Diseases at Yale University and staff hepatologist at the VA Connecticut Healthcare System in West Haven, CT. She directs the liver cancer program at VA Connecticut. She leads the VA Connecticut’s Cancer Care Tracking System Team, a group that has facilitated early detection of cancer and timely access to comprehensive cancer care through innovation in systems of care and technology.

MEETING AGENDA
Saturday, April 25, 2020

SESSION I  
Complications of Cirrhosis  
Moderators: Nair/Kothadia

8:00-8:15 Welcome Satheesh Nair
8:15-8:45 Variceal Bleeding: Best Practices Mark Russo
8:45-9:15 New Mass in a Cirrhotic Liver Tamar Taddei
9:15-9:45 Ascites Optimizing Diuretic Therapy Ben Maliakkal
9:45-10:15 Acute Decompensation of Cirrhotic Liver: Definitions, Risk Predictions and Management Jennifer Lai
10:15-10:30 Break
10:30-11:15 Case Studies: Encephalopathy, HPS, Obscure bleeding, PVT Agbim, Russo, Lai, Taddei, Shiffman

SESSION 2  
Liver Transplantation, Moderators  
Moderators: Maluf/Eason

11:15-11:35 When to Refer a Patient for Transplant Mitchell Shiffman
11:35-11:55 Minimizing Wait Time for Liver Transplantation Corey Eymard
11:55-12:00 Q&A
12:00-12:15 Boxed Lunch

SESSION 3  
Drugs and Cirrhosis  
Moderators: Nair/Agbim

12:15-12:45 Liver Targeted Drugs in Patients with Cirrhosis Mitchell Shiffman
12:45-1:15 Non Liver Drugs and Potential Benefits in Cirrhosis Mark Russo
1:15-1:30 Q&A, Closing Remarks
