OVERVIEW
The University of Tennessee Health Science Center Division of Surgical Oncology is hosting a half-day symposium on colorectal cancer. The symposium will focus on key clinical topics in the management of colorectal cancer such as chemotherapy for early stage colon cancer, surgical approaches to rectal cancer, and management of liver and peritoneal metastases. It will also feature updates on current clinical trials in colorectal cancer. The symposium will provide a unique opportunity for clinicians involved in the care of cancer patients to learn from and interact with leading national faculty in order to increase clinical knowledge, apply new data into practice, and ultimately improve patient outcomes.

LEARNING OBJECTIVES
1. To review evolving strategies in the management of patients with rectal cancer with particular insights into the PROSPECT trial.
2. To review indications and ongoing investigations for consideration of adjuvant therapy in patients with early stage colon cancer.
3. To review the detection, appropriate surveillance, and management of polyposis syndromes and hereditary colon cancers.
4. To review contemporary surgical techniques for rectal cancer including indications and outcomes with minimally invasive total mesorectal excision and transanal endoscopic microsurgery.
5. To review implementation, importance, and implications of measuring and maintaining quality metrics in performance of colonoscopy.
6. To review surgical and nonsurgical liver directed therapy options for patients with colorectal liver metastases.
7. To review considerations and outcomes of performing cytoreductive surgery and hyperthermic intraperitoneal chemotherapy in patients with peritoneal metastases from colorectal cancer.

TARGET AUDIENCE
Surgical oncologists, general surgeons, medical oncologists, radiation oncologists, gastroenterologists, basic science researchers, primary care providers.
**MEETING AGENDA**

Saturday, September 17, 2016

- **8:00 - 8:45 AM**
  - **8:05 - 8:45 AM**
    - Distinguished Visiting Professor Lecture - Evolving Treatment Paradigms for Rectal Cancer
    - Martin E. Wexler, MD, Stuart H. Quimby Center for Education in Surgery, Division of Surgical Oncology, University of Tennessee Health Science Center

- **9:00 - 11:00 AM**
  - **9:15 - 9:40 AM**
    - Hereditary Colon Cancer and Polyposis Syndromes
    - Jeremiah L. Deneve, DO, FACS, Scheinberg Endowed Chair, Department of Surgery, Division of General and Colon Surgery, University of Texas MD Anderson Cancer Center
  - **9:40 - 10:00 AM**
    - Break
  - **10:00 - 10:40 AM**
    - Quality Metrics for Colonoscopy
    - Moon J. Fenton, MD, PhD, Assistant Professor of Medicine, Division of Gastroenterology and Hepatology, University of Tennessee Health Science Center
  - **10:40 - 11:00 AM**
    - Treatment Strategies for Colorectal Liver Metastases
    - Parvin V. Dickson, MD, FACS, Scheinberg Endowed Chair, Department of Surgery, Division of Hematologic Oncology, University of Tennessee Health Science Center

- **11:00 - 11:40 AM**
  - **11:00 - 11:40 AM**
    - Chemotherapy for Early Stage Colon Cancer – Why? What? How?
    - Moon J. Fenton, MD, PhD, Assistant Professor of Medicine, Division of Hematology/Oncology, University of Tennessee Health Science Center

- **11:40 - 12:10 PM**
  - **11:40 - 12:10 PM**
    - Lunch/Break

- **12:10 - 12:50 PM**
  - **12:10 - 12:50 PM**
    - Case Discussions with Multidisciplinary Panel

- **1:00 - 1:15 PM**
  - **1:00 - 1:15 PM**
    - Physician Evaluations

- **1:15 - 1:30 PM**
  - **1:15 - 1:30 PM**
    - Adjourn

---

**DISCLOSURE STATEMENT**

The University of Tennessee College of Medicine is committed to providing CME that is balanced, objective, and evidence-based in accordance with the Accreditation Council for Continuing Medical Education (ACCME) Essentials and Standards. All parties involved in content development are required to disclose any real or apparent conflicts of interest related to the topics of this activity. The University of Tennessee College of Medicine has established mechanisms to resolve conflicts of interest should they arise. Any financial conflict of interest or disclosure will be disclosed to the audience prior to the activity.

**REGISTRATION**

The registration fee is $50 for physicians (MD, DO, PhD) and $30 for physician assistants and nurses (NP, RN). There is no charge for Residents. Online registration available at www.utconferences.com/cancersymposium2016.
