

## MENTORING CHALLENGES

<p><b>Challenge:</b> Finding the time to meet. We are both so busy and our schedules don't allow time for daily interaction. It is difficult for us to find enough time to have a significant discussion of important issues.</p>	<p><b>Possible Strategies:</b></p>
<p><b>Challenge:</b> Some faculty members have come to me to report "problems" they perceive in my protégé. They seem to expect me to step in and "fix" the problems.</p>	<p><b>Possible Strategies:</b></p>
<p><b>Challenge:</b> I guess I'm feeling insecure or inadequate as a mentor. I see my protégé spending more time discussing situations and problems with another teacher. I thought that was my job.</p>	<p><b>Possible Strategies:</b></p>
