

Tool:	Graphic Organizer for Paired/Partner Reading-Trace your hand-5 Parts about a character
Category:	Reading
Urban Specialist:	Andrea Mitchell
School Level:	3rd Grade
Target Audience:	Elementary
References:	Article #30 found on Teachers.net written by Cheryl M. Sigmon.
<p>Rationale: Helping children to visualize and organize facts about characterization.</p>	
<p>Description:</p> <p>After a paired reading/partner reading activity tell the students to trace their hand on a piece of paper. Put the main character in the palm of your hand. Then write 5 things that tell about this character on each of the fingers</p>
